Internet Explorer is the world's most popular Web browser. Security, ease of use, and improvements in RSS, CSS, and Ajax support are Microsoft's priorities for Internet Explorer.. Internet Explorer 11 is the latest version of Microsoft's default browser. It provides all standard features that you'd want in a Web browser, while giving excellent integration with other Microsoft programs; but you won't find the same customization options here as you'd see in other Web browsers.
